

# Celebrate Life!

The National Kidney Foundation Presents the  
2010 U.S. Transplant Games

Madison, Wisconsin  
July 30- August 4, 2010

## What are the U.S. Transplant Games?

The Games are more than an athletic competition, they are a bi-annual coming together of thousands of individuals who share one thing in common— their lives have been touched by organ and tissue donation. The Games showcase success of transplantation while calling attention to the critical need for organ and tissue donors.
