

US Transplant Games ~ TEAM ILLINOIS

Sponsorship Levels

Honorary SCOTT FRANK Team Member ~ \$500

Scott Frank, 11 year heart recipient, was truly the "heart and soul" of Spare Parts, Team Illinois' early Basketball Team. He was an outspoken ambassador for organ and tissue donation and his life's passion was to increase awareness for both heart disease and organ donation. Scott lived life to its fullest, celebrating his newfound energy and sharing his story with both children and adults at every opportunity, even capturing his thoughts into a children's book about heart disease and transplantation. This contribution level honors his memory and dedication.

- Recognition on **Team Illinois** Website to include Logo and Link to Member Website

Honorary RICHARD MCMAHON Team Member ~ \$1,000

Rich McMahon, a 17 year kidney/pancreas recipient, was responsible for providing education, information and tireless support to thousands of individuals as they considered, awaited and recovered from organ and tissue transplants through his role as President of Organ Transplant Support. Rich was one of the earliest members of Team Illinois and recognized the role that the Transplant Games played in providing support to transplant recipients. This contribution level honors his commitment to Transplant Recipients and the Transplant Games.
